Postgraduate Educational Programs Accreditation Application Form

EUSTM and ATMP Academy's accreditation program is intended to promote consistent quality and excellence in education and training programs in life science and clinical disciplines. Educational program accreditation applications are open to highly quality postgraduate programs with close association with any of the three pillars of translational medicine i) benchside ii) bedside or iii) community health fields. Eligible disciplines include cellular & molecular biology, genetics, microbiology & immunology, pharmacy, veterinary sciences, drug discovery & development, biophysics & engineering, stem cells & regenerative medicine, public health & epidemiology, data mining & management, biomarkers and clinicians.

Please fill all the sections of form. Filled form should be submitted along with supporting documents by email at: accreditation@eutranslationalmedicine.org

Program Details

Program Name

Department/School/Unit

Institution

Program best fit to which pillars of translational medicine:

Benchside

Bedside

Community Healthcare

GTMC consortium of the department/school/unit:

Yes

No

Program mode:

Full Time

Part Time

Distance Learning

All of Them

Annul student Intake (Approx):

Number of degrees awarded (approx) in last two years:

Program learning outcome:

Internship option in industry or clinics?:

Program Fees:

Any scholarship/grants offered:

Program Key Features

Teaching Facilities

(Teaching labs, class rooms, IT support, library etc.)

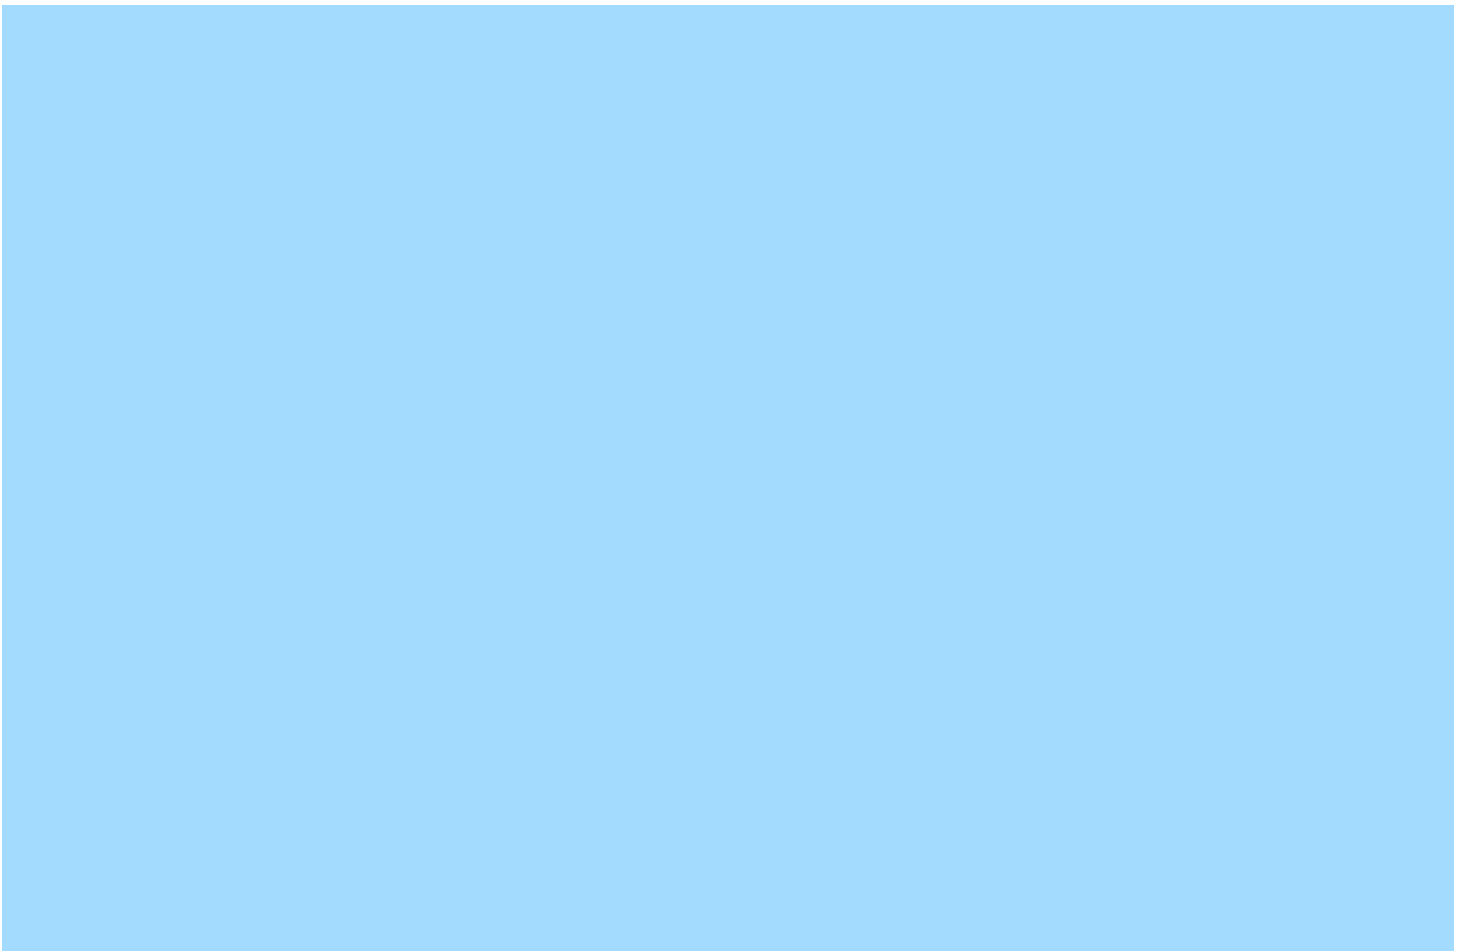

Faculty Details

Total numbers of faculty staff assigned for the program:

Attach CVs/biographies of faculty members (max. 5)

Close interaction or experienced in Clinical Sciences?

Describe Continuing education and training opportunities for the faculty

[Redacted area]

Faculty members who are EUSTM members or Members/Fellows of the ATMP Academy:

[Redacted area]

Total number of Publications (last 3 years):

[Redacted area]

Contact Person

Name: [Redacted area]

Address: [Redacted area]

[Redacted area]

City: [Redacted area]

Country: [Redacted area]

Email: [Redacted area]

Phone: [Redacted area]

- Attach Program Curriculum file
- Attach CVs/Biographies of faculty members (max. 5)
- Attach Publication lists of the unit (last 3 years)
