

Academy of Translational Medicine Professionals

Setting standards for Excellence in Translational Medicine

Application for Fellowship (F_{Acad}TM)

This form should be completed by the applicant in order to evaluate your ATMP fellowship application. Completed form can be submitted to the Academy via email at atmp@eutranslationalmedicine.org or via post.

Fellowship applications are open to highly experienced professionals who have a record of significant achievements in benchside, bedside or community health fields. Eligible disciplines include cellular & molecular biology, genetics, microbiology & immunology, pharmacy, veterinary sciences, drug discovery & development, biophysics & engineering, stem cells & regenerative medicine, public health & epidemiology, data mining & management, biomarkers and clinicians. Successful applicants are typically department heads/chairs and senior academics (full, associate and assistant professors), directors and senior executives with relevant experience. Fellows in the Academy are recognized for demonstration of significant efforts to advance the translational medicine and mission of ATMP. Successful professionals may receive Fellowship certificates at annual congress of the European Society for Translational Medicine (EUSTM)
